

Developmental Medicine and Child Neurology

Volume 20 1978

INDEX

Authors and subjects of articles in the body of the Journal are indexed together. Abstracts are included in the general index and listed both under subjects and authors, with '(abstr.)' at the end of the title. Letters to the Editor are indicated by the symbol '(L)'.

KEY TO ISSUES AND PAGES

Issue	Pages	Issue	Pages
No. 1	1-139	No. 4	419-558
No. 2	141-275	No. 5	559-697
No. 3	277-418	No. 6	699-838

ABBIE, M.: Laban notation, and its application to treating clumsy children, 110
 Ability and attainment, effect of feeding in infancy, 421
 Acid-base status, CSF, and lactate and pyruvate concentrations, after convulsions in children (abstrs.), 135
ADAMKIN, D., SHOTT, R., COOK, L. and ANDREWS, B.: Nonhyperoxic retrolental fibroplasia (abstr.), 415
ADINOLFI, M.: The immune system and the brain, 509
 α -Adrenolytic drug (Indoramin), for nocturnal enuresis, 183
 Age and parity, parental, in dyslexic boys (abstr.), 834
 effect on entry of amino acids into brain and their incorporation into cerebral protein, 335
ALBERMAN, E. D. See STANLEY, F. J., 300, 313
 Alcohol: Klippel-Feil anomalad as part of the fetal alcohol syndrome (abstr.), 137
ALEHIN, V. I. See KULESHOV, N. P., 553
ALVORD, E.C. See CLARREN, S. K., 553
 American Academy for Cerebral Palsy and Developmental Medicine, Annual Meeting, 1977: abstract of papers presented, 227
 Amine metabolites and hyperserotonemia in autistic and retarded children (abstr.), 138
 Amino acids, entry into brain and incorporation into cerebral protein, effect of age, 335
 Amniotic fluid, cellular content, as predictor of central nervous system malformations (abstr.), **ANDREWS, B. See ADAMKIN, D.,** 415
 Ankle valgus in children with myelomeningocele, 627

ANNOTATIONS

Carbamazepine in childhood seizures, 223
 Cerebellar ataxia in infancy and childhood related to a disturbance of pyruvate and lactate metabolism, 672
 Community physiotherapy, 802
 Congenital dislocation of the hip joint, 103
 Differences in biological function between the blind and the sighted, 668
 Epilepsy in the Bible, 677
 Hospital care of the ill child with mental retardation, 674
 Impedance audiometry and the brain-damaged child, 800
 Infantile neuroaxonal dystrophy and related disorders, 497
 Learning-disabled child, the: early detection and prevention, 496
 Lesch-Nyhan syndrome, 376
 Management of cardiac disease in Down's syndrome, 220
 Paediatric neurology, 670
 Physiotherapists as first-contact practitioners, 104
 Preventing febrile convulsions, 799
 Pseudo-Hurler syndrome, 383
 Speech and language development of children with Down's syndrome, 106
 Strategies for clumsy children, 494
 Taking drugs during pregnancy, 380
 Toxicariasis, 218
 Anticonvulsants, maternal, and optic nerve hypoplasia (abstr.), 695
 Apraxia, developmental, management, 643
ASHTON, B. B., PICKLES, B. and ROLL, J. W.:

INDEX
